POLICY and SAFETY Acknowledgment
Please sign only after reading all attached information

I, _____, have read and understand class policies, behavior expectations, and lab safety rules for science class. I understand that I must follow these rules at all times or be responsible for the consequences in a dignified manner. I am also aware that I am financially responsible for replacing any equipment broken through my carelessness.

STUDENT SIGNATURE _____
DATE _____

I also have read and understand the course policies, behavior expectations, and lab safety rules of science class. I am aware that my son/daughter will be held responsible for following these rules and policies at all times.
